

Gouaouri Mohammed Dhiya Eddine

im_gouaouri@esi.dz · +213 561586786 · github

M'sila, Algeria

EDUCATION

- **4th year computer science student**
Higher national school of computer science (ESI ex INI)
2022
- **Bachelor degree with 17.64/20**
Badji mohamed high school
2018

Certificates

- **Introduction to TensorFlow for AI, Machine Learning, and Deep Learning**
Coursera course
coursera.org/verify/R9DPKPGUBT3V
- **Coursera Deep learning specialization**
Coursera course
coursera.org/verify/specialization/ULSH22Z2P3ZX

Educational experience

- **Dev team member of School Of AI**
SOAI club
Since 2019
- **Dev team member of GDG ESI algiers club**
GDG club
Since 2020

SKILLS

- **Porgramming languages**
Python, C/C++, Java, Dart, PHP, Golang, JS
- **Web Development technologies**
Flask, Django, React, Docker, PostgreSQL & MySQL
Git/Github
- **Mobile development technologies**
Flutter, Firebase
- **Machine learning**
Tensorflow, Keras, Sklearn
- **Linux system administration & networking**
Fedora, Ubuntu, Routing & Switching

PROJECTS

- **A7kiM3aya**
A7kiM3aya an arabic word that mean talk with me, a simple chat app built with flutter and django
Flutter/Django
- **Nssit**
A simple web API to manage passwords locally
Python/Flask
- **Bloggy**
A blog website developped with Flask framework
Python/Flask

Internships

- **Machine learning model optimization**
Optimize existing machine learning models using Bayesian optimization at BeeTryx
